Playground Committee- Grace Laster (Chair), Mandy Casey, Natalie Fritsche

### **Action on Playground Project since 5-21-15 Board Meeting**

- Playground Site Plan was submitted and approved by the CoR in early June. Many thanks to the project Architect and FoSP resident, Lynn Livingston, for his outstanding service provided for the required site plan.
- Playground project has been registered with the Texas Dept. of Licensing and Regulation Architectural Barriers
- A (RAS) Registered Accessibility Specialist has been secured to provide the plan review and inspection at project completion.

### **Next Steps**

- Equipment details with Playground Equipment Vendor, We Build Fun, are being finalized for order placement
- KDC Construction has been contacted and is favorable to providing fill dirt to make level the Playground installation area at Waterford/Wyndmere common area
- In August, the site will be prepared with necessary excavation by FoSP resident, Bill Barsotta
- Installation of Playground is anticipated in September
