

Recommend to the 2015 HOA Board the establishing of a **Welcome Team** for new homeowners in the Fairways of Sherrill Park neighborhood.

Goals of the Welcome Team

- The team will **demonstrate a friendly, volunteer-spirit.**
- The opportunity to **encourage authentic neighbor**ing will be a natural result of the Welcome Team.
- **Make personal contact** as soon as possible with each new homeowner as they become a part of FoSP.
- **Provide helpful information**- A document that will provide links to the HOA Website giving direction to governing documents and guidelines, directory and helpful City information & facilities.
- Take a **token of welcome** (baked goodie, small memento, etc.) to express a warm welcome to newcomers.
- **Provide** a smile, warm conversation and a few **names of individuals they can contact** should they have questions while settling in.

Individuals who stand ready to form the Welcome Team of 2015 are:

1. Traci Ahangarzadeh
2. Kathryn Balley
3. Lynne Finley
4. Grace Laster
5. Charisse Phemister
6. Penny Reva
7. Beth Sokolyk
8. Kaori Tong

Function/Operation of the Welcome Team

Because the Welcome Team is large, several internal groups can be made to rotate the opportunity of welcoming a new neighbor. Initial information will gathered of the homeowners move in and their contact information. The small group will then make contact based on the rotation schedule. This is not a Team that would be in operation at all times. It would simply take action when information is received about a new homeowner.
